

# Unbreakable

Romain Virgo

Oh oh, oh oh, oh oh, I'm sorry  
Oh oh, oh oh, oh oh, I'm sorry

Don't say you're sorry  
Girl, say your prayer  
It doesn't matter  
I love you to death  
And I know, yes I know, yes I'm sure  
That you didn't mean a thing  
And I know more than before  
That this is everything  
(Ah yeah) We're unbreakable  
(Ah yeah) We're unbreakable

Yes, it did hurt me  
I sure felt some pain, yeah  
No need to tell me  
I see the shame  
And I know, yes I know, yes I'm sure  
That you didn't mean a thing  
And I know more than before  
That this is everything

I won't stop even if it ends, oh no  
My heart is locked in your prison  
This is everything

(Aah, aah) We're unbreakable  
(Oh yes, aah-aah) We're unbreakable  
(Aah, aah, yeah) We're unbreakable  
(Aah, aah) We're unbreakable

Please, don't you worry  
Girl, dry your tears  
So many memories and this can't compare  
And I know, yes I know, yes I'm sure  
That you didn't mean a thing  
And I know more than before  
This is everything

Oh yeah, oh yeah, oh yeah  
We're unbreakable  
Oh yeah, oh yeah, oh yeah  
We're unbreakable

Oh yeah, oh yeah, oh yeah  
We're unbreakable  
Oh yeah, oh yeah, oh yeah  
We're unbreakable

Said I won't stop even if it ends, oh no  
My heart is locked in your prison  
This is everything

Oh yeah, oh yeah, oh yeah  
Unbreakable  
Oh yeah, oh yeah, oh yeah

Unbreakable
