

# Flying

Roman Lob

Drinking wine out of paper cups  
At least three times I fell in love  
They said jump into the river  
While you watch the stars above

And the moon it shone so bright  
I wasn't sure if it was night time  
Or day time  
Or both at the same time

Where were you when I  
Had the time of my life  
I don't know why  
You'd rather cry instead of flying

Where were you when I  
Had the best day of my life  
I don't know why  
You'd rather cry instead of flying

The world it moves under my feet  
And I don't care where it takes me  
Yeah, your eyes blink to the beat  
Limitless and free

And the moon it shone so bright  
I wasn't sure if it was night time  
Or day time  
Or both at the same time

Where were you when I  
Had the time of my life  
I don't know why  
You'd rather cry instead of flying

Where were you when I  
Had the best day of my life  
I don't know why  
You'd rather cry instead of flying

Drinking wine out of paper cups  
At least three times I fell in love  
They said jump into the river while you watch the stars

And I watched the stars  
All the stars...

Where were you when I  
Had the time of my life  
I don't know why  
You'd rather cry instead of flying

Where were you when I  
Had the best day of my life  
I don't know why  
You'd rather cry instead of flying
