

# Never Say Never

Romeo Void

If time itself was his demeanor  
There'd be no sunlight or a glimmer  
Of sunlight landing on the street  
Sunsuit girls must be discreet

Sunsuit girls must be discreet  
Nursing their fathers locked inside  
They masqueraded as his bride

I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
But there's something in your eyes that says maybe  
That's never  
Never say never

Slumped by the courthouse with windburned skin  
That man could give a fuck about the grin  
On your face as you walk by, randy as a goat  
He's sleeping on papers, but he'd be warm in your coat

I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
But there's something in your eyes that says maybe  
That's never  
Never say never

There's no easy way to lose your sight  
On the street, on the stairs, who's on your flight  
Old couple walks by, as ugly as sin  
But he's got her, she's got him

I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
But there's something in your eyes that says maybe  
That's never  
Never say never

Sunsuit girls must be discreet  
Nursing their fathers locked inside  
They masqueraded as his bride

Never say never  
Never say never  
Never say never, never, never

Sun seems to move across the sky so slow  
It's us who's turning with nowhere to go  
Sun seems to move across the sky so slow  
Us who's turning with nowhere to go

Never say never  
Never say never  
Never say never, say never, say never  
Never, never, never say never

I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
I might like you better if we slept together  
But there's something in your eyes that says maybe  
That's never  
Never say never
