Up on the stage in the club tonight
One of my girlfriends shimmy
Undercover
Undercover

One of my girlfriends shimmy
Out by the back door, meet me in the bathroom
Why don't you give up on me?
Why don't you give up on me?
Why don't you give up on me?

I'll make you pay me first
You think you'll pay me last
I thought of it first
It ain't gonna last

Are on the floor
There's two shows more
Sequined costumes of the night
Undercover

The bounce is big
The bouncer's bigger
The drinks aren't stiff
I know what is

I'll make you pay me first
You think you'll pay me last
I thought of it first
It ain't gonna last

Here comes Henry
He's watchin' my baby
Why don't you give up on me?
Why don't you give up on me?
Why don't you give up?
Why don't you?

Meet me in the bathroom

Don't call it a head

The studied nonchalance

In the audience when she gets back

She's got 'em strung up on the rack
