Wrap It Up

Romeo Void

I've been watchin' you for days now Louie
I just love your sexy ways Louie
You know my love will never stop me Louie
Just put your lovin' in my pocket Louie

No more will I shop around Louie
I've got the best thing in town Louie
I've seen all I wanna see Louie
Bring your love straight to me Louie

Wrap it up, I'll take it
Wrap it up, I'll take it

I've been watchin' you for days now Louie
I just love your sexy ways Louie
You know my love will never stop me Louie
Just put your lovin' in my pocket Louie

No more will I shop around Louie
I've got the best thing in town Louie
I've seen all I wanna see Louie
Bring your love straight to me Louie

Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it

I'm gonna treat you like the king you are
Give you sweet things from my candy jar
You've got tricks you've never used
Give, give it to me it won't get abused

I've been watchin' you for days now Louie
I just love your sexy ways Louie

No more will I shop around Louie
I've got the best thing in town Louie
I've seen all I wanna see Louie
Just bring your lovin' straight to me Louie

Wrap it up, I'll take it
