

# Always Forever

Romy

It's okay to be sad  
There's a lot going on, I know  
Did you figure it out  
It's alright if you don't know

Oh, baby, don't overthink  
You can take it out on me  
I hope you know

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you  
I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

It's okay to get mad  
There a lot going on, I know  
There's a way out  
Just keep holding on

Oh, baby, don't overthink  
You can take it out on me  
I hope you know

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

Say you'll love, love me forever  
Never stop, never, whatever near and far  
And always and everywhere  
And every

Say you'll love, love me forever  
Never stop, never, whatever near and far  
And always and everywhere  
And every

Say you'll love, love me forever  
Never stop, never, whatever near and far  
And always and everywhere  
And every

Say you'll love, love me forever  
Never stop, never, whatever near and far  
And always and everywhere  
And every

Say you'll love, love me forever  
Never stop, never, whatever near and far  
And always and everywhere  
And every

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you

I love you always forever  
Near or far, closer together  
Everywhere, I will be with you  
Everything, I will do for you
