

Did I

Romy

Did I do what I've always done?
Leave the room with the fire on
Did I, did I, did I
Did I, did I, did I
Did you hurt me just for fun?
Did you know the damage we'd done?
Did I, did I, did I
Did I, did I, did I

Did I do what I've always done?
Leave the room with the fire on
Did I, did I, did I
Did I, did I, did I
Did you hurt me just for fun?
Did you know the damage we'd done?
Did I, did I, did I
Did I, did I, did I

Did I, did I, did I, didn't
Hands up, say good riddance
Throw down, slay what's hidden
Is this life a given?
Are you still my person?
Are we healing, finger nursing?
Are we playing or rehearsing?
Back to being, now lift the curtain
Lift the hurtin'
Yes, I'm hurtin'
Bring it, bring it, full on bursting
Did I, didn't, doesn't matter
Break on out and let it shatter
Let it shatter, let it shatter, let it shatter
Doesn't matter, doesn't matter, doesn't matter, doesn't matter

Now the damage is done
Can we call it love?
Now the damage is done
Can I call you lover?
Now the damage is done
Can we call it love?
Now the damage is done
Can I call you lover?

Did I care enough?
Did I care too much?
Did we fuck it up?
Was it real?
Oh well, the damage is done

Let it shatter
Let it shatter
Let it shatter
Let it shatter
Let it shatter
Let it shatter
Let it shatter

Did I care enough?
Did I care too much?
Did we fuck it up?
Wasn't it real?
Oh well, the damage is done
