Did I

Romy

Did I do what I've always done?
Leave the room with the fire on
Did I, did I, did I?
Did I, did I, did I?
Did you hurt me just for fun?
Did you know the damage we'd done?
Did I, did I, did I?
Did I, did I, did I?

Oh, love
Did I do what I've always done?
Leave the room with the fire on
Did I, did I, did I?
Did I, did I, did I?
Oh, love
Did you hurt me just for fun?
Did you know the damage we'd done?
Did I, did I, did I?
Did I, did I, did I?

Oh, love
Oh, love

Now the damage is done
Can we call it love?
Now the damage is done
Can I call you lover?
Now the damage is done
Can we call it love?
Now the damage is done
Can I call you lover?

Did I care enough?
Did I care too much?
Did we fuck it up?
Wasn't it real?
Oh, well, the damage is done

Oh, love
Oh, love

Did I care enough?
Did I care too much?
Did we fuck it up?
Wasn't it real?
Oh, well, the damage is done
