

I'm On Your Team

Romy

My defense is down
I want you to surround me
Anytime I go out
You're still the only sound that I hear
You've taken me to higher ground
I'm never coming down
Even when we're in a crowd
It's like there's no one else around

And I
Hope the way I feel tonight
Is the way I feel
For life

Is the way I feel
For life

I know it gets hard
We both know we're still learning
Let your troubles out
They will never be a burden

You put your trust in me
I'll show you I deserve it
All I ever need
Is right under your surface

And I
Hope the way I feel tonight
Is the way I feel
For life

Is the way I feel
For life

Listen to me
Oh me
There's something I've not told you
I'm on your team
Your team
But I can't always coach you

There's no in between
Between
I want the truth only
Could you love me wholly

I know it gets hard
We both know we're still learning
