

One Last Try

Romy

I never met no one like you, oh
Never meet another, no one like you, oh

I know a lot of people who would run and hide
When times get rough
They want to give it up, yeah
That's not gonna be me, no, not this time
I feel like standing up
Gonna give this one last try

I never met no one like you, oh
Never meet another, no one like you, oh

You did a lot of things that hurt my pride
When we were young
I had to turn and run, yeah
I don't wanna lose you, no, not this time
Mmm, I'm not giving up
Gonna give this one last try
One last try

I don't wanna break a promise
But I've got a limit of how much
I can take for love
So let's not overcomplicate it

I never met no one like you, oh
Never meet another, no one like you, oh
So let's not overcomplicate it
I never met no one like you, oh
Never meet another, no one like you, oh
