

Jubilee

Ron Kenoly

This is the season of Jubille
Singing and dancing for you and me
Thanking and praising because we're free
Oh this is the year of Jubilee

Put your hands together
Everybody praise the Lord
Put your hands together
Sing and shout and praise the Lord

Everything that was stolen shall be returned unto me
Mother father sister brother they will all go free
Everything that was stole shall be returned unto me
Singing dancing praising shouting increase and victory

This is the season of Jubilee
