

# Mighty King

Ron Kenoly

You rule the nations  
With Your righteousness  
All the kingdoms with Your holiness  
You bare  
Your strong arms  
And the mountains shake  
The whole world will fall at Your  
feet  
You are the mighty King  
Let all the people sing  
Unto the King of Glory  
You are the mighty King  
Awesome in everything  
Mighty King of Glory  
All of creation tells of who You are  
No others power can compare by far  
You have conquered all  
Your enemies  
And  
You'll reign forevermore  
We praise the mighty King  
We praise the mighty King  
We praise the mighty King  
We praise the mighty King  
Mighty King  
Unto the King  
Mighty King  
We praise the mighty King  
You are the mighty King
