

## Seek Your Face

Ron Kenoly

Lord I long to seek  
Your face  
I've come into this holy place  
To worship  
To worship You  
A place where  
Your glory  
Surrounds me  
And I become brand new  
A place where  
Your presence  
Brings reverence  
I desire to be with You  
When I'm with You  
I am complete  
My world stops turning  
When  
You're holding me  
Lord my desire  
Is to be in  
Your presence  
So I'm running to You  
For another touch of Heaven-Heaven

Lord I long to seek  
Your face  
I've come into this holy place  
To worship  
To worship You

Lord I long to seek Your face  
I come into the holy place  
To worship  
To worship  
To worship You Lord

I long to seek Your face  
Lord I long to seek Your face  
Lord I long to seek  
Your face  
Lord I long to seek Your face
