

Sing to Elohim

Ron Kenoly

Sing to Elohim
He has triumphed marvelously
The horse and the rider have been drowned in the sea

Sing to Elohim
He has triumphed marvelously
All of pharoah's army have been drowned in the sea

Jehovah
We will praise your name forever
Elohim
We will exalt your name together
Jehovah
Our strength and our song
You have become our salvation

Oh, oh, oh

He is our strength
He is our song
He has become our salvation

Jehovah
Our salvation
