

Can't Help Falling in Love

Ron Pope

Wise men say
Only fools rush in
But I can't help falling in love with you
Shall I stay?
Would it be a sin
If I can't help falling in love with you?

Like a river flows
Surely to the sea
Darling, so it goes
Some things are meant to be
Take my hand
Take my whole life, too
'Cause I can't help falling in love with you
Oh I can't help falling in love with you
