

# Nothing

Ron Pope

You said, "Don't wait up"  
But I can't help myself  
You swear, "Just friends"  
But I know better than that

So baby when you leave this place  
I don't wanna hear your name  
Promise when you walk away  
You're never coming back again

You left me nothing nothing nothing  
Nothing nothing nothing at all  
You left me nothing nothing nothing  
Nothing nothing nothing at all

Your heart, too cold  
So you don't ever feel  
My words on deaf ears  
No, you will never hear

So baby when you leave this place  
I don't wanna hear your name  
Promise when you walk away  
You're never coming back again

You left me nothing nothing nothing  
Nothing nothing nothing at all  
You left me nothing nothing nothing  
Nothing nothing nothing at all

Don't hold me too tightly 'cause I'll be reminded of why I wanted you  
here  
And the last thing I need is for you to believe that there's anything  
left that can change how I feel

I wish there was any other way  
I'm sure there's no chance you'll ever change

You left me nothing nothing nothing  
Nothing nothing nothing at all  
You left me nothing nothing nothing  
Nothing nothing nothing at all

You left me nothing nothing nothing  
Nothing nothing nothing  
Nothing nothing nothing  
Nothing nothing nothing  
You left me nothing nothing nothing  
Nothing nothing nothing at all
