

Heart's Desire

Ron Sexsmith

Though you don't believe your eyes
As your mind's taken by surprise
But there's a reason to the rhyming of
Your heart's desire

Though it seems too good to last
Don't write it off too fast
For there's a method to the madness of
Your heart's desire
Yes

I guess it's out of our hands
Though we try to understand
It's not for us to know
Where the night is going
Though you may say that it's not what you're looking for
How can you be so sure?

How can you be so sure
In your heart that this isn't it?
In your plans it just won't fit
So you keep on second guessing it
Your heart's desire

Cause you don't believe your eyes
As your mind's taken by surprise
But there's a reason to the rhyming of
Your heart's desire
Your heart's desire
