

Only Trouble Is

Ron Sexsmith

Moonlight shining from within
Good times coming up around the bend
Only trouble is I don't know when

Look out love is back in town
Good time now to turn it all around
Only trouble is I don't know how

It's only trouble
Only trouble pay no mind
It's only trouble
Only love'll make it right
For soon I pray
We're gonna leave it all behind
Come what may
Though it takes a little time

For a light to come through

Dreams I'm piling over there
Seems I'm always trying to get somewhere
Only trouble is I don't know where

It's only trouble
Only trouble pay no mind
It's only trouble
Only love'll make it right
For soon I pray
We're gonna leave it all behind
Come what may
Though it takes a little time
For the light to come through
