I'm sendin' shots and we jackin' him—, hol'on  
I'm sendin' shots and we jackin' him off

Shoutout my 'ooter 'cause he always focused  
Give her some dick, let me know if you'll take it  
Everywhere I go, gotta' make sure I'm dangerous  
You gotta' watch out for niggas you hang wit', 'cause they be the ones that gon' put you in danger  
After I leave my niggas, I say "Safety"  
'Cause I'm makin' sure they movin' safely
