Nigga, I said what I said  
If it's up then it's stuck, then he deady, he dead  
We do a hit then we fled, uh  
You do a hit then you talk to the feds  
I do not play 'bout the bread  
I could name all the niggas I fed  
Lay 'em down like he ready for bed  
Leg two long, like it's ready to stretch  
I cannot sleep, I'm not ready for rest  
VVS, that's all on my neck  
Don't talk on the gang 'cause the gang cause wreck  
Bustdown AP, soon a Patek  
Niggas know what I been through, saw what I saw  
I'm a demon in dreams  
Clip too long, beam wit' a beam  
Do a hit then we leavin' the scene

My-my-my niggas cuffin' these bitches  
I could fuck on a bitch I just met  
She wanna link, I'ma leave it on read  
Tellin' her lie, like her pussy the best  
Why would I play wit' a victim?  
Niggas know, I'ma make it a mess  
Ride for the set, ride wit' a TEC  
Fuck a body shot, aim at the neck  
They better keep they distance  
Clip too long, like it came wit' extensions, look  
Why niggas keep sneak dissin'?  
I wet 'em up, now he swim wit' the fishes (Wait)
