

# For The Record

Ron Suno

Smoking Haiti feeling Jamaican  
Get cash run it up feel like Bill Ackman  
They gon' love me like this because I'm dangerous  
Mention my name I ain't nothing to play with  
Like what they gonna say cause I'm up now  
They pull up manic cause I pulled a touchdown  
But this not a game cause I run down  
BigKayBeezy in the back with a bust down

Look, there's a touchdown  
I just got a bust down a bust down  
Took off his face they like you did too much now  
Ducking the change but I still got the clutch out  
That's the shhhh  
Face shot gang in the ssssss that's a glock sound  
I got a bag while this bitch had her buns out  
It's a nice day so don't die while the sun is out  
This a steamer  
I bought the drake and my bitch got a nina  
I send your gang to the cleaners, get cleaned up  
Now theres blood on your shirt tryna mean mug  
Told a baby you a slut you don't mean much  
She said what the fuck what is you so mean for  
I just caught a double up I'm tryna catch 3 of em  
30 in my double cup nigga that's a rerun  
Damn, she's like you got the juice no Capri Sun  
When we slide on the opps the police come  
Fuck, it's a setup  
Spin till they leave get them wet up  
If there's a trick up my sleeve I can't let up  
And now I ride dolo used to ride stolo Jettas  
Now I ride straight to the cheddar  
Nigga this chess not checkers  
You could put that on the record, for the record  
Two of us leave on a stretcher  
Suno got switchy I came in this bitch with a g lock I don't like berettas, f  
or the record  
I'm off the 9 if you tweak with them guys it get hectic, bitch

And I'm moving malicious  
Can't take the heat better get out the kitchen  
Always so party bro that's when we didn't  
They said opp in the spot lets have fun in a minute  
Yes, everything is prolific  
Can tell he's an opp cause he fits the description  
They out my body moving suspicious  
And them bullets too hot and he labeled the realest  
Got the sauce I could give out a remedy  
That's your bitch you gon fuck cause I know we got chemistry  
You can not say you're an enemy  
Cause when I see you I know you are scared of me  
Like none of you niggas compare to me  
It's getting lit  
I found a way walk with a limp got the gun on my waist  
Spin through this block we gon dump everyday
