(Envious)

Ron Suno, niggas know the fuckin' vibes  
Hol' on

Gang

Niggas was plottin' on me from the jump  
I tried to help them niggas, but they dumb  
Everything red, I closed that backdoor  
Now when see an opp, they better run  
How you gon' hate on me when I was dead  
You get shot 'cause I'on really care  
Fuck one on ones, 'cause I ain't playin' fair  
Pass me the Chop', we put 'em in the air

Who is these other niggas claimin' L  
Niggas ain't never ever ring a bell  
I'm gettin' money, I'm always by myself  
I help niggas, I ain't even had no help  
Niggas is broke even wear my belts  
Like, damn, why these niggas got no drip?  
I'm bookin' flights, I pay for every trip  
And if it's about a show, I make sure they get in  
Niggas ain't cruise, you gotta watch your friends  
Niggas gon' turn into enemies  
I'm goin' up, they could be stuck in the trench  
Like, but that turn into memories  
Plus and a watch, I might get a new chain  
I give a fuck who be feelin' me  
Niggas gon' feel when they diss me  
I see a... it got turn into history

Niggas was plottin' on me from the jump  
I tried to help them niggas, but they dumb  
Everything red, I closed that backdoor  
Now when see an opp, they better run  
How you gon' hate on me when I was dead  
You get shot 'cause I'on really care  
Fuck one on ones, 'cause I ain't playin' fair  
Pass me the Chop', we put 'em in the air
