She gon' suck it for me 'cause I'm different  
Niggas be chattin' like they gettin' bitches, but I know these bitches never

She wanna spend the night up in the crib  
I cannot trust her, take her to the telly  
I will not slip, I never take a risk, if a thot wanna line me, tell her that  
I'm ready  
Thotties be pocket watchin' for the fatty  
But I panty drop 'em 'cause I need the Becky  
Shorty gon' lick me up and give me necky  
And after that, passed her right onto my lefty

Nigga run up, I'm boomin' out the renty  
How many shots I got? I'm sendin' plenty  
40 gon' cook 'em, bake 'em, like he Denny's  
I shoot like I'm Cooke, these niggas call me Lenny  
Niggas can't see me 'cause the windows tinted  
Check in the back and find out what is in it  
Shot to his Mana, got 'em thinkin' different
