

Believe

Ronan Keating

You said you
Could see no end
The world and himself
Were all on your back
I vowed to take your hand
Show the world
In a different light
All that you've done
You've got to believe
In all of your dreams

No matter what
The world can
Throw at you
You know you can believe
Believe in me
And after all
I'll still believe in you
And even if
You cannot see
The brighter light
Ahead I'll see
You must believe,
Believe in me
And after all
I'll still believe in me

I'll pull away the clouds
That cover you up
That leave you down
I won't leave you all alone
I'll be there for you
In your darkest hour

And all that you've done
You've got to believe
In all of your dreams

No matter what
The world can
Throw at you
You know you can believe
Believe in me
And after all
I'll still believe in you
And even if
You cannot see
The brighter light
Ahead I'll see
You must believe,
Believe in me
And after all
I'll still believe in me

And when
It's dark outside
I'll protect you

From the night
My shoulder you can rely
I won't do you no wrong

And all that you've done
You've got to believe
In all of your dreams

No matter what
The world can
Throw at you
You know you can believe
Believe in me
And after all
I'll still believe in you
And even if
You cannot see
The brighter light
Ahead I'll see
You must believe,
Believe in me
And after all
I'll still believe in me
