

# Brighter Days

Ronan Keating

**B C#m7 B E**  
I've done a lot of living in my life  
**C#m F# Asm**  
Chased my share of rainbows in the sky  
**B C#m B E**  
Before I stopped to ask the question why  
**C#m7 F# Asm**  
I've fallen out of love too many times  
**Esm E Esm - E**  
But now, I see, the possibilities  
**F# F#7**  
Of how my life could be at all

**B C#m B E**  
>From any other love I'd walk away  
**C#m F# B F#**  
Love is temporary. I would say  
**B C#m - B E**  
Now each night I find a reason to stay  
**C#m F# B**  
With you there's always brighter days

**B C#m7 - B E**  
I've broken a heart, a part in two  
**C#m F# Asm**  
I've let the curtain fall I guess it's true  
**B C#m7 - C#m B E**  
The thought of something borrowed something blue  
**C#m F# Asm**  
Was something that I never could pursue  
**Esm E**  
But now you're here  
**Esm E**  
My doubt has disappeared  
**F# F#7**  
The clouds are gone, it's clear

Chorus

**C#m Asm F#/B**  
Even on the coldest nights (brighter day)  
**B**  
Even when the sun won't shine  
**E B**  
It's sweeter in the morning time  
**A F#**  
Just knowing that you're there (that you there!)

**B C#m B E**  
From any other love I'd walk away  
**C#m F# B F#**  
Love is temporary. I would say  
**B C#m - B E**  
Now each night I find a reason to stay  
**C#m F# B**  
With you there's always brighter days

**B**            **C#m**    **B**            **E**  
From any other love I'd walk away  
**C#m**            **F#**        **B**            **F#**  
Love is temporary. I would say  
**B**            **C#m**    -    **B**            **E**  
Now each night I find a reason to stay  
**C#m**                    **F#**                    **B**  
With you there's always brighter days
