

# Feel

Ronan Keating

Just one more dance  
When can we touch?  
I wanna believe so much  
That you needed me

We're near the time  
Our bodies combine  
This touch feels so kind  
Could this really be

Woo oooo (4x)

Under the sheets  
So close to me  
Let's take it one more step  
You're all I need  
Our lips caress  
My hands are all yours  
Our bodies they feel so warm  
You feel it too

Wooo oooo  
I wanna feel the world shake (wooo ooo)  
I wanna feel the earth break (wooo ooo)  
I wanna feel you everyway (wooo ooo)  
I wanna hear your every scream (wooo ooo)  
I wanna fill your every dream (wooo ooo)

I wanna drink your wine  
With a taste so pure  
Your body in in love with mine  
Now it's the time

Wooo oooo  
I wanna feel the world shake (wooo ooo)  
I wanna feel the earth break (wooo ooo)  
I wanna feel you everyway (wooo ooo)  
I wanna hear your every scream (wooo ooo)  
I wanna fill your every dream (wooo ooo)

Tonight is the night  
When I take your hand  
Tonight I lay you down  
All by yourself
