

Last Thing On My Mind

Ronan Keating

G

Four o'clock in the morning
My mind's filled with a thousand
thoughts of you

C

And how you left without warning
But looking back I'm sure you tried to
talk it through

G

Now I see it so clearly
We're together but living separate lives

C

So I wanna tell you I'm sorry
Baby I can't find the words

D C G G* Emi C

But if I could, then you know I would

G D

Now I won't let go, know what we can be

Emi C

I won't watch my life, crashing down on me

G D Emi C C/B

Guess I had it all, right there before my eyes, yeah

Ami C

Girl I'm sorry now, you were the last thing

G

on my mind

G

You carried me like a river
How far we've come still surprises me

C

And now I look in the mirror (look in the mirror)
Staring back is the man

D C

I used to be, with you

G G Em C

How I long for you

G D

Now I won't let go, know what we can be

Emi C

I won't watch my life, crashing down on me

G D Emi C C/B

Guess I had it all, right there before my eyes, yeah

Ami C

Girl I'm sorry now, you were the last thing
