

Let Her Down Easy

Ronan Keating

You're top man on scene
You don't think life comes in between
But yet she's just seventeen
She feels that she's a worldly girl
But man you've been around the world
She's just some worried Daddy's pearl

Even there's nothing I can say
To cheating your nature anyway
Let her down easy
Her heart is on a dime
Let her down easy
You'll grow up in time

In her strawberry eyes
The way she sees you signifies that
She's susceptible to your velvet lies
But if you must lay her down may a
butterscotch glow be her dressing gown,
Please do not lead her on when you leave town

Even there's nothing I can say
To cheating your nature anyway
Let her down easy
Her heart is on a dime
Let her down easy
You'll grow up in time

She's a woman now
With a daughter to make her proud
In her crayon world of paper clouds
She still remembers you
The first boy that she gave it to
And she laughs at how little that she knew

Even though there's nothing I can say
Let her down easy
Her heart is on a dime
Let her down easy
You'll grow up in time
