Lost for Words

Ronan Keating

If I can't find the words...

Waiting for this feeling
That I'm drowning in to subside
You make me swim like a beginner
Like I'm new at life
All these words don't come easy
No they always seem to stop
There is awkward silence yeah
Anytime we talk

Oh but I wanna let it in
I wanna ease all your doubts
I keep trying to get it out

But if I can't find the words
To tell you what I'm feeling
Baby that don't mean
It don't mean that I don't feel it
I'm trying to tell you girl
But if you don't believe just look and see
My face says what you mean to me
When I can't find the words

I know I can send you flowers
To try to make my feelings clear
And girl I could hold you tight for hours
I wanna tell you what you're trying to hear

Oh and I wanna let it in
I wanna ease all your doubts
I keep trying to get it out

But if I can't find the words
To tell you what I'm feeling
Baby that don't mean
It don't mean that I don't feel it
I'm trying to tell you girl
But if you don't believe just look and see
My face says what you mean to me
When I can't find the words

But I know sometimes I leave you so upset
Cos I got all these bits and pieces in my head
I know because I let you struggle with the things I haven't said

When I can't find the words
When I can't find the words
When I, when I, when I can't find the words
I wanna ease all your doubts (ease all your doubts)
I keep trying to get it out

But if I can't find the words
To tell you what I'm feeling
But baby that don't mean
It don't mean that I don't feel it
I'm trying to tell you girl

But if you don't believe just look and see

My smile says what you mean to me
When I can't find the words
If I can't find the words

But if you don't believe just look and see

My smile says what you mean to me
When I can't find the words
If I can't find the words
