Only for You

Ronan Keating

Baby I've been Thinking of you Gotta picture in my mind They say I'm Falling in love Makes you blind You opened up my eyes Brought our feelings Deep inside No one believes in me Like you do No one can ever Take your place You're like food To my soul Only you can make me Feel this way And I gotta say When I'm feeling down You are there And while You're holding me You say There's no sacrifice to Be loving you, no no And I feel it too, Yes I do But only for you Baby there's a reason Why we met Why we still are holding on I never knew A love so strong When I look Into your eyes Knowing my love Will never die Can't live without You by my side No one can ever Take your place You're like food To my soul Yes you are Only you can make me Feel this way And I gotta say When I'm feeling down You are there And while You're holding me You say There's no sacrifice to Be loving you, no no

And I feel it too, Yes I do But only for you

And I gotta say When I'm feeling down You are there, You say There's no sacrifice to Be loving you, no no And I feel it too, Yes I do But only for you
