Set In Stone

Ronan Keating

I guess at the start it was just a thing
And I woke waiting for the phone to ring
Hello, hello

My day began and you gonna bet
I can't get you out of my head
At all, at all

We never changed
Through the years
Never give in
To those fears

We didn't give up
Even with doubt
Climbing over walls that we built
We don't have to tear them down

Love is a home
These walls keep us warm
Even in the eye of the storm
I know we're unbreakable

Love set in stone

Everybody said what will be will be
But you said get on a plane to me
Come on

You wait around for the hand of fate
But I needed you, I couldn't wait
At all, at all

We never changed
Through the years
Never give in
To those fears

We didn't give up
Even with doubt
Climbing over walls that we built
We don't have to tear them down

Love is a home
These walls keep us warm
Even in the eye of the storm
I know we're unbreakable

Love set in stone

What might have been
If we let go
I thank my lucky stars
That we'll never know

We didn't give up
Even with doubt

Climbing over walls that we built
We don't have to tear them down

Love is a home
These walls keep me warm
Even in the eye of the storm
I know we're unbreakable

Love set in stone

I guess at the start it was just a thing
And I woke waiting for the phone to ring
Hello
