

## Two Steppers, Waltzes, and Shuffles

Ronnie Dunn

Bar-band drunk  
Playing loose as the Rolling Stones  
I'm half lit myself  
I need a good done wrong

Crowd on the dance floor high fivin' and flyin'  
While we wait on an old school two-four  
Boys, I'm buying

Yeah, we're hittin' them whiskey doubles  
Buzzin' like neon lights  
Lonely hearts and one-night lovers  
Dancin' through the honky tonk nights  
To two steppers, waltzes, and shuffles

Cowgirl in the back yellin' somethin' 'bout Jumping Jack Flash  
Me, I need some good old Hag and a lot more cash  
Give me some tear in my beer, lonesome, and lonely  
Sweet music to my ears, lay some of that on me

Oh, I'm hittin' them whiskey doubles  
Buzzin' like a neon light  
Lonely hearts and one-night lovers  
Dancin' through the honky tonk nights  
To two steppers, waltzes, and shuffles

Yeah, we're hittin' them whiskey doubles  
Buzzin' like neon lights  
Lonely hearts and one-night lovers  
Dancin' through the honky tonk nights  
To two steppers, waltzes, and shuffles  
Oh, to two steppers, waltzes, and shuffles
