

## Delta Queen

Ronnie Milsap

I see her comin' 'round the bend  
Prettist sight I've ever seen  
She's comin' to take me  
Home again  
Oh, how I love my Delta Queen

Catfish are jumpin' as the big wheel turns  
I can almost feel that warm southern breeze  
Full speed ahead she's runnin' right on time  
I got a yearnin' to be free Delta Queen

Delta Queen  
Rollin' along  
Delta Queen  
Whistelin' a song  
Say bye-bye worries  
Leave 'em all up stream  
Carry me away Delta Queen

Magnolia blossom honey suckle vine

There's a place that's waitin' just for me  
Stars shine like diamonds in that southern sky  
For me and my Delta Queen

Delta Queen  
Rollin' along  
Delta Queen  
Whistelin' a song  
Say bye-bye worries  
Leave 'em all up stream  
Carry me away Delta Queen  
Delta Queen  
Rollin' along  
Delta Queen  
Whistelin' a song  
Say bye-bye worries  
Leave 'em all up stream  
Carry me away Delta Queen  
Delta Queen
