

# I Ain't Gonna Cry No More

Ronnie Milsap

I might still sleep on my side of the bed  
And never move the pillow where you laid your head  
I might stare out the window til the sun comes shining through  
But I ain't gonna cry no more, I ain't gonna cry no more  
I ain't gonna cry no more for you.

I might just leave your picture up on the wall  
And stay close to the phone just in case you call  
I just might stay home all night  
The way you always wanted me to  
But I ain't gonna cry no more, no I ain't gonna cry no more  
I ain't gonna cry no more for you, naw.

I get all choked up inside  
When the groom starts kissing the bride  
I might cry when they play that song  
But it won't be because you're gone  
No, no, make no mistake about what I say  
I still think about you every day.

Since you found somebody else  
All my tears are reserved for myself  
And I ain't gonna cry no more, I ain't gonna cry no more  
No, I ain't gonna cry no more for you.

Since you found somebody else  
All my tears are reserved for myself  
And I ain't gonna cry no more, I ain't gonna cry no more  
I ain't gonna cry no more for you...
