

In The Still Of The Night

Ronnie Milsap

Close your eyes baby, follow my heart
Call on the memories here in the dark
We'll let the magic take us away
Back to the feelings we shared when they'd play

In the still of the night
Hold me darling, hold me tight
Oh, shoo doop, shoo be do
Shoo doop, doo be do
(So real, so right)
Lost in the fifties tonight

These precious hours, we know we can't survive
But love's all that matters while the past is alive
Now and for always till time disappears
We'll hold each other whenever we hear

In the still of the night
Hold me darling, hold me tight
Say, shoo doop, shoo be do
Shoo doop, doo be do
(So real, so right)
Lost in the fifties tonight

Shoo doop, shoo be do be do
Shoo doop, shoo be doo be do, shoo doop
Shoo doop, doo, so real so right

Say, shoo doop, shoo be do be do
Shoo doop, shoo be doo be do, shoo doop
(So real, so right)
Shoo doop, doo, so real so right

Shoo doop, shoo be do be do
Shoo doop, shoo be doo be do, shoo doop
(So real, so right)
Shoo doop, doo, so real so right
