

# Let's Take The Long Way Around The World

Ronnie Milsap

In the daily rush of things  
If we stop to think it seems  
We never have time alone

Doing things we have to do  
Not much time for me and you  
Before we know it, it will all be gone

Lets take the long way around the world  
Sharing each other as we go  
Lets take the long way around the world  
And let's take it real slow

I get hungry just to talk  
Take your hand and take a walk  
I never have you to myself enough

The two of us are really one  
And when its all said and done  
The only thing that really lasts is love

Lets take the long way around the world  
Sharing each other as we go  
Lets take the long way around the world  
And lets take it real slow

Lets take the long way around the world  
Sharing each other as we go  
Lets take the long way around the world  
And lets take it real slow

Lets take the long way around the world  
Sharing each other as we go  
Lets take the long way around the world  
And lets take it real slow
