

# Merry, Merry Christmas Baby

Ronnie Milsap

Merry, merry Christmas baby, though you're with someone new  
Thought I'd send a card to say  
Wish this joyous holiday would find me close to you

Merry, merry Christmas baby and a Happy New Year to  
'Twas a Christmas Eve we met, a holiday I won't forget  
For that's when we fell in love

I still remember the gift you gave so dear  
This love I hold within my heart still burns though we're apart

Have a merry, merry Christmas baby and a Happy New Year to-o-o  
I am hoping that you'll find a love as true as mine  
Have a merry Christmas, baby

I still remember the gift you gave so dear  
This love I hold within my heart still burns though we're apart

Have a merry, merry Christmas baby and a Happy New Year to-o-o  
I am hoping that you'll find a love as true as mine  
Have a merry Christmas, baby
