

Up To Zion

Ronnie Milsap

Whoa, I'm gonna move up, up to Zion
Because this world is not my home
Ohh, one day I'm a gonna fly
Way over to the other side
I know, I know I'll get to see the Lord

He was thrown right into the lion's den
I have faith and I'm gonna trust in Him
Oh, Lord, like the Hebrew boys
Tried in the fire and been baptized
I don't feel no ways tired

Move up, up to Zion
Because this world is not my home
Ohh...
One day we're gonna fly
Way over to the other side
I know, I know we'll get to see the Lord

I'm gonna move up, up to Zion
Move up, up to Zion
I'm gonna move up, up to Zion
Yeah, move up, up to Zion
I'm gonna move up, up to Zion
Up to heaven, oh, don't you wanna go
You better get ready
He's commin' back again
And like a thief in the night
You better get ready
You better get right

Move up, up to Zion
Because this world is not my home
Ohh...
One day we're gonna fly
Way over to the other side
I know, I know we'll get to see the Lord
Yeah, I know I'll get to see the Lord
Oh, let me say it again

I know I'll get to see...
I'll get to walk them golden streets
Yeah, I'll get to see Shadrach
Meshack and Abednego
And I'll get to see the Lord
Yes, I will, whoo...
