

You Don't Look for Love

Ronnie Milsap

I took my time and now I'm sure
I paid the price, I know my heart
You give me a feeling, you've got me believing
Life ain't worth livin' alone

What did you say, what did you do
Just what's so different about me and you
If lovin's this easy there can't be a doubt
You don't look for love, it just comes about

I never had much time for words
All the love songs left me cold
But there's somethin' inside me that I never knew
I came here a loner but I'll be leavin' with you

What did you say, what did you do
Just what's so different about me and you
If lovin's this easy, there can't be a doubt
You don't look for love, it just comes about

What did you say, what did you do
Just what's so different about me and you
If lovin's this easy, there can't be a doubt
You don't look for love, it just comes about

What did you say, what did you do
Tell me just what's, just what's so different about me and you
If lovin's this easy, there can't be a doubt
You don't look for love, it just comes about
