

(Oh my God, RONNY)

I'm like, "Which one of you bitches goin' for my nigga B?"  
I got bitches comin' tomorrow, comin' way from overseas  
Only catch a nigga in them foreigners, bitch, I'm way too rich fo  
r beef  
Shawty cute, had a lil' body, so I whitened up her tee  
A hundred thousand-dollar watch, they keep on watchin'  
From the bottom, bitch, I came up fully poppin'  
We in Paris, I'm with ALYX and I'm stylin'  
I just touched down, buyin' up the whole E11EVEN

Put her in Dior, bring your friends, I need seven  
Put her in Dior, bring your friends, I need seven  
Uppin' up the score, like my aura, love my presence  
Uppin' up the score, like my aura, love my presence
