Don't

Ronny J

Yeah

She don't want no drugs, she just want the love
Always stay consistent, never givin' up
Gotta hold on now, gotta show on now, yeah
I can feel the pressure, it got me kicking up
I feel it in my heart, yeah, that's deep enough
She the type to hold it down when they diss, bruh
Bad all in my flesh, yeah, my true love, yeah, yeah

One AM, you been on my mind, you should spend some time with me
All I need is an hour and a day, hope time will freeze
I could love you from afar even when I'm way across the sheets
Like the movies, baby, I could really be your Hercules
Yeah, you could count on me when the world ends
Take you from the bottom to the top, make your world spin
I know you got a lock on your heart but I'm breakin' it
Girl, I want your body and soul, so I'm taking it
Sometimes I act like I don't think about you but I'm fakin' it
Put you through some troubles, [?] tryna shake this shit
Tryna get my focus right, I'm busy buyin' the latest whip
Got me a Glock fully-loaded 'case they on some hatin' shit
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah (Yeah, yeah)

She don't want no drugs, she just want the love
Always stay consistent, never givin' up
Gotta hold on now, gotta show on now, yeah
I can feel the pressure, it got me kicking up
I feel it in my heart, yeah, that's deep enough
She the type to hold it down when they diss, bruh
Bad all in my flesh, yeah, my true love, yeah, yeah

She don't want no drugs, she just want the love
She don't want no drugs, she just want the love
She don't want no drugs, she just want the love, yeah, yeah
