Ronny J

Oh my God, Ronny

Said she's down for me  
Said she's down for me  
Said she's down for me

Ri-ri-ridin' down the beach  
With my doors up  
Like a tour stop  
Ice all on me, dawg  
Put it all on me  
Can you take it off?  
Racks in my Goyard  
She loves the way I talk  
She said she knows I'm a beast  
Plan, it be chasin' the [?], can't even sleep  
Heard you wan' go for it girl  
Baby come fuck with the real, I'm goin' deep  
Livin' that shit like for real  
Got a new 'Rari for real  
She don't want no lean, dawg  
That's the game, dawg

Said she's down for me  
Said she's down for me  
Said she's down for me  
Said she's down for me  
Said she's down for me  
Said she's down for me  
Said she's down for me (Yeah)  
Said she's down for me
