Ronny J

Oh my God, Ronny

In Milano lit, on a Louis tip  
Type of nigga to take a bitch  
Fans outside tryna take a pic  
Bands on me, I can make you rich  
Dance on me, can you make it stiff  
Hydraulic, I can make it lift  
Designer kicks and Gucci lips

Rockstar lifestyle be my shit  
Run it up, my wrist so sick  
Give it up, you ain't got it  
Phone me, can't call me  
I'ma hit it, hit it, like piñata  
Bitch hot like lava  
My lil' baby in Prada  
CEO wake up in some rolls  
Countin' up shit on a big bank roll  
Balenciagas, that's the only way I go  
I don't know nobody that be doing this flow  
I only really know 'bout the niggas I know  
Don't cross me, no tick tack toe  
Food on the table, my feet in my foe  
I don't see none of the niggas you know
