

## HOT STONE

Ronny J

You still sleeping on my and shit, ha  
Get my fuckin' [?]  
Ronny J, go stupid, ooh!

Drip, drip, drip  
I'm like pardon me, don't trip  
I might take her to the crib  
Make that bitch come suck this dick  
I'ma hit, hit, hit  
Work her out and make her fit  
Diamonds dancing on my wrist  
Nigga, don't try me, I'ma take your bitch

Rookie, I pull up with a hunnid round clip  
Millions in, never switch  
Pussy wet, Poland Springs  
RJ pull up, let it blink  
I could switch it up, start singing like trick  
Camo the hoodie, got apes on the Bape  
Titties are all in my face like an ape  
Glass AP, take off in a Wraith  
Aim at your head, nobody safe  
Hop in the PJ, fuck on her face

Drip, drip, drip  
I'm like pardon me, don't trip  
I might take her to the crib  
Make that bitch come suck this dick  
I'ma hit, hit, hit  
Work her out and make her fit  
Diamonds dancing on my wrist  
Nigga, don't try me, I'ma take your bitch

Ronny J, go stupid, ooh!
