Ronny J

Oh my God, Ronny

Too deep in my thoughts (too deep in my thoughts)
I'm wishing you would call (I'm wishing you would call)
I thought I had it all (I thought I had it all)
Let me take your panties off (let me take your panties off)
I hope you don't kiss and tell
[?] to Paris, now
Put you in brand new Chanel
That Louis V came with a belt (LV)
Fucked around, made her heart melt
[?] in the mail
Know that they want me to fail
I know

You don't even tell me that you love me anymore
You don't even show me that you want me anymore
You don't even like my pictures when I [?]
You don't really ever show me that you give a fuck
Energy zoned out
Lately I've been on the run
I stage dive in your heart
I hate when we're apart
I just want to love her
I just want to touch her
Fuck them other hoes
They want all my gold

Too deep in my thoughts (too deep in my thoughts)
I'm wishing you would call (I'm wishing you would call)
I thought I had it all (I thought I had it all)
Let me take your panties off (let me take your panties off)
I hope you don't kiss and tell
