

# Range Rover

Ronny J

(Oh my God, Ronny)

Wan' suck and kiss on your neck  
She fell in love, we get high on the jet  
Girl, I'm impatient, can't wait to undress you  
Thoughtful, girl, I know your love  
Now I'm in the Lam', nigga used to Toyota  
All my dawgs mix shit with the soda  
Collecting bags and sendin' it over  
Givenchy tag [?] pullover  
She picked me up in her mama Range Rover

I put it all in her gut, game over  
Been way too hard for me to stay sober  
All these blue hundreds got me on the sofa  
Could've put a mili' on my wrist if I chose  
And love's [?]   
Take my word, my heart's still frozen  
Fix you up, won't leave you broken

Wan' suck and kiss on your neck  
She fell in love, we get high on the jet  
Girl, I'm impatient, can't wait to undress you  
Thoughtful, girl, I know your love  
Now I'm in the Lam', nigga used to Toyota  
All my dawgs mix shit with the soda  
Collecting bags and sendin' it over  
Givenchy tag [?] pullover  
She picked me up in her mama Range Rover

Wan' suck and kiss on your neck
