

ROCKSTAR

Ronny J

Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?

Outta state

Top floor of the condo, this shit look like outer space
Fly you straight to me, it don't matter how long it take
Yeah

I've been good I'm tryna be great (Oh)
Pullin' up, new McLaren (Uh)
Rich as fuck, this shit apparent
I love my jewelry on, I see you starin'
Please don't tell me you love me when you fuck me
All these hunnids, I still get bored when I'm lonely
That's why I treat you like you more
That's why I treat you like you more than my homie
It's certain shit I can't ignore

Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar? (Ooh, ooh, ooh
, ooh)
Have you ever made love to a real rich rockstar?
Ooh, hoo, ooh, oh (Oh)

Have you ever made love to a real rich rockstar?
It's not hard
I'll be rollin' off a bean and I'm pourin' purple lean
And you pullin' all the strings to my heart
If a nigga try us, keep it tucked, what?
Know this rich dick leave you stuck, love
You know I'ma fly you out, that's a dub, ooh
You know I'ma make sure that you come through, boo, ooh
Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?

Have you ever made love to a real rich rockstar?
Have you ever made love to a real rich rockstar?
