

Oh my God, Ronny

Goyard belt, make her melt  
I'm so high, can't you tell  
She let me fuck in the telly, don't tell  
I put my dick in her belly, oh well  
Racks on me, ride like pony  
Spaceship coupe, two-hundred bands on me  
Varsity, strapped with a Mac (Bitch)  
Saint Laurent drip when I'm breakin' her back

Thirty-five thousand for the pink stone  
RJ, I'm breakin' her back  
I'm like "fuck what a nigga gon' think"  
I do what I want and I do what you can't  
195, I keep ghost in the rain  
Fuck on your bitch, I ain't sorry  
Niggas stay talking like rat, rat, rat  
Talkin' 'bout money but that's all cap  
Can't fuck with no peon, run it like Deon  
I'm in the league, you in the bleachers  
Oh my God, Ronny, got bitches on me  
Can't get her off like a tick on me  
She know I'm the man, keep racks on me  
You lost your bitch from guess who (Who?)  
RJ big fish, you duppy  
I might let her fuck me if she get lucky

Goyard belt, make her melt  
I'm so high, can't you tell  
She let me fuck in the telly, don't tell  
I put my dick in her belly, oh well  
Racks on me, ride like pony  
Spaceship coupe, two-hundred bands on me  
Varsity, strapped with a Mac (Bitch)  
Saint Laurent drip when I'm breakin' her back
