

## Stay Alive

Roo Panes

There's a rhythm in rush these days  
The lights don't move and the colors don't fade  
Leaves you empty with nothing but dreams  
In a world gone shallow, in a world gone lean

There's some things a man cannot know  
The gears won't turn and the leaves won't grow  
There's no place to run and no gasoline  
The engine won't turn and the train won't leave  
The engine won't turn and the train won't leave

But I will stay with you tonight  
Hold you close 'til the morning light  
And in the morning watch a new day rise  
We'll do whatever just to stay alive  
We'll do whatever just to stay alive

Well the way I feel is the way I write  
It isn't like the thoughts of the man who lies  
We've got a truth and it's on our side  
Dawn is coming, open your eyes  
Dawn is coming, open your eyes

But I will stay with you tonight  
Hold you close 'til the morning light  
We've got a truth and it's on our side  
Dawn is coming, open your eyes  
Dawn is coming, open your eyes

Dawn is coming, open your eyes  
Dawn is coming, open your eyes  
Dawn is coming, open your eyes  
Dawn is coming, open your eyes

There's a rhythm in rush these days  
The lights don't move and the colors don't fade  
And leaves you empty with nothing but dreams  
In a world gone shallow, in a world gone lean  
We've got a truth and it's on our side  
Dawn is coming, open your eyes
