

Take A Minute

Room 2012

Baby talk to me,
It only take a minute
Baby walk with me,
I only need a minute
Baby sit with me,
It only take a minute
Baby the you'll see,
I was worth a minute

60 seconds counting down
We're on a one way ticket till we're making out
49, 48, 47, 46

45 seconds left till she's having my Baby
It's all I need to get some lovin'
It only take a minute,
Just a minute
45 seconds left till she's having my Baby
It's all I need to get some lovin'
It only take a minute,
Just a minute,
Take a minute,
Just a minute,
Take a minute
Just a minute,

Now I got here,
It only take a minute
Baby hear me out,
I only need a minute
You loke the sound of that?
It only take a minute
I see you comin' round
That was worth a minute

60 seconds counting down
We're on a one way ticket till we're making out
